Dragons, handmaids and housewives - it's time for the Emmys

By Jill Serjeant LOS ANGELES (Reuters) - "Game of Thrones," "The Handmaid's Tale," "Kirstin" or "The Marvelous Mrs. Maisel"? The best drama and comedy series races for television's highest honors are too close to call ahead of Monday's Emmy awards, where the field is so packed with quality contenders that some shows may leave empty-handed. Monday's ceremony isn't just about the winners.
